Thanks, John. These are indeed the slides that we've contributed to in the past few weeks – you'll also see a line for NCEA inserted in the "hiring" slide at the end. Good to get visibility on this, and maybe that can help us mobilize "lean 2" conversations.

FYI – I've been asked to discuss the two slides on IRIS at a meeting with the Deputy Administrator, this Wednesday. Based on input from Lek at all last Friday, they want each speaker to spend ~1 minute per slide. (Good luck with that.) See attachment.

In prior years ORD has not been part of this 'strategic review' process with the deputy administrator, so this is new for us.
